

NOTICE OF BILLING PRACTICES:

THIS NOTICE DESCRIBES OUR BILLING PRACTICES, PLEASE REVIEW IT CAREFULLY.

At Eye Surgery Associates, you can expect to receive medical services in a professional and caring manner. We are committed to providing you with the highest level of service and quality care. In return, it is your responsibility to provide your insurance information. Please have your photo identification and current insurance information available at your visit to ensure that your claim can be processed promptly.

1. APPOINTMENTS: We request that you keep scheduled appointments and arrive at the appointed time. If you are unable to keep your appointment, please give at least 48 hours notice. [Cancellations of less than 24 hours prior to your appointment, or a No-Show for your appointment, will result in a minimum \$35 fee per patient, excluding Medicaid patients.] We reserve the right to not make additional routine appointments for you should you have any remaining balance for previous treatment you received with our offices. Additionally, any outstanding balance will need to be addressed before checking in for an appointment.
2. CO-PAYS: According to your insurance contract, you are obligated to pay any co-pay (a small fixed amount required by your health insurer), deductible (amount you are liable before your health insurer will make payment), or co-insurance (percentage of total cost of medical expenses after your deductible has been reached) due at the time of service. If you are unable to pay the co-pay at the time of service, we retain the right to cancel or reschedule your appointment to a time when you are prepared to pay your co-pay. Furthermore, if your appointment is kept without payment of the co-pay at the time of service, we retain the right to levy an administrative charge of \$10 to your account in order to defray the cost of securing the co-pay.
3. PRESCRIPTION REFILLS/FORMS: Please request any prescription refills and present any forms that need to be completed at the start of your examination. At that time, we have full access to your complete record and can fulfill your request. We reserve the right to charge the state allowable amount for filling out and completing forms or attorney requests for your various needs (ie, SSI, disability, etc.).
4. EYE EXAMS & GLASSES: This policy will only apply if you need to purchase eyeglasses and/or contact lenses. You may request a copy of the full policy/procedure for your records.

 - One Rx remake within 90 days of original order date
 - One lens remake is allowed during 1 year warranty period

5. REFERRALS: If your insurance plan requires a referral, the referral must be presented before seeing a physician. If you do not have the required referral, we reserve the right to reschedule your appointment or you will have to be willing to be responsible for the entire cost of the examination. You will be presented with a waiver acknowledging your acceptance as self-pay, and payment will need to be made at the time of service.
6. RETURNED CHECKS: Any payment made by check that does not clear our bank account will result in a fee for insufficient funds. Our fee for insufficient funds is \$25 and will be added to your account for each bounced check.

7. OTHER INSURANCE: I understand that Eye Surgery Associates participates with multiple insurance plans and that not all Doctors in the Practice participate with all plans or products within the plans. I understand that it is my responsibility to verify with my insurance carrier that my physician currently participates with my plan. The undersigned agrees that I am individually obligated to pay the full charges of all services rendered to me by Eye Surgery Associates if I belong to a plan with which Eye Surgery Associates does not participate.
8. NON-COVERED SERVICES: I understand that Eye Surgery Associates contracts with health care service plans related only to items and services which are covered by the health care service plans. Accordingly, the undersigned accepts full financial responsibility for all items or services, which are determined by the health care service plans not to be covered. **Examples of non-covered services include, but are not limited to, services not specified as being covered in the patient's contract with a health care service plan or in the benefit summary the health care plan service plan furnishes to the patient (i.e. refraction, contact lens fittings) and treatment or tests not authorized by the health care service plan.** The undersigned agrees to cooperate with Eye Surgery Associates to obtain necessary health care service plan authorizations.
9. FINANCIAL AGREEMENT: I agree that in return for the services provided to me by Eye Surgery Associates, I will pay my account at the time service is rendered or will make financial arrangements satisfactory to Eye Surgery Associates for payment. I understand and agree that if my account is delinquent and sent to collections, I may be charged up to 35% in administrative fees. If the account is sent to an attorney to assist with collections, I agree to pay collection expenses and reasonable attorney fees. Any benefits of any type under any policy of insurance insuring the patient, or any other party liable to the patient, is hereby assigned to Eye Surgery Associates. If copayments and/or deductibles are designated by my insurance company or health plan, I agree to pay them to Eye Surgery Associates. However, it is understood that the undersigned and/or the patient are primarily responsible for the payment of my bill. I further understand and agree that if I ignore statements of attempts to collect past due amounts, I may have my ability to schedule appointments and/or receive future services from Eye Surgery Associates limited including possible dismissal as a patient from the practice.
10. PATIENT STATEMENTS: At Eye Surgery Associates, all accounts are payable within 30 days after you receive your first statement. Credit is extended as a courtesy, and arrangements will be based on demonstrated needs. Payments keep your account current only when arrangements have been made. Please call customer service to set up payment arrangements. As a result of costs associated with sending statements, Eye Surgery Associates does not send statements to patients for balances under \$20. Billing statements are suppressed until the patient's balance becomes \$20 or more in patient responsibility. As a result, you may receive a statement long after your last appointment or may be asked to pay small balances when presenting for an appointment without having received a statement. Patients should remit small balances owed to Eye Surgery Associates upon receipt of their explanation of benefits from their insurance.
11. PATIENT DISMISSAL: I agree and understand that Eye Surgery Associates may initiate separation and/or dismissal of me as a patient of the practice for any of the following non-exclusive reasons:
 - (a) Disruptive, aggressive, violent, and/or threatening behavior towards physicians, staff, and/or other patients;
 - (b) Repeated failure to attend scheduled appointments;
